Volume 16 Issue 52 – Tuesday 29th July 2008 – Editor: June Bragg

Jim chaired the meeting receiving apologies from Renzo, Chris, Bill, Peter and Vicki

Alan took on the role of Sargent & delighted in extracting fines from us all.

Yours truly was lucky enough to have my raffle ticket drawn for the chance to win the \$31 from the Joker Draw and thanks to the great shuffling of Ashley & the cutting of the pack by Brian I was lucky enough to find that Joker. I have put my two wins together & sent my cheque off to the Centurion Fund.

Chris is still desperately looking for volunteers to help her man the food stall for the Cancer Relay for Life. Lunch & dinner on Saturday 27th & breakfast on Sunday 28th September. Unfortunately a number of members who would normally be able to assist her are away so she is keen to hear from anyone who can give her a couple of hours over the 24 so if you can assist please advise her asap.

Of our 35 members 21 have taken advantage of the early bird special. For those of you who have not paid your 2008-2009 fees payment of \$330 is required by 31/8/08. Payment can be by BPay (please let me know if this is how you paid), cheque or C/Card

From the August 2008 'Rotarian'

An extract from The Organisation of Rotary article:

What Rotarians get out of Rotary depends largely on what they put in. Many membership requirements are designed to help members more fully participate in and enjoy their Rotary experience.

Attendance: Attending weekly club meetings allows members to enjoy their club's fellowship, enrich their professional and personal knowledge, and meet other business leaders in their community. If members miss their club's meetings they are encouraged to attend meetings of other Rotary clubs around the world – a make-up.

Service: All Rotary clubs share a key mission: to serve their community and those in need throughout the world. By participating in club service projects, members learn about their club's involvement in local and international projects and can volunteer their time and talents where they are needed.
