### From the August 2008 'Rotarian'

#### An extract from The Organisation of Rotary article:

What Rotarians get out of Rotary depends largely on what they put in. Many membership requirements are designed to help members more fully participate in and enjoy their Rotary experience.

Attendance: Attending weekly club meetings allows members to enjoy their club's fellowship, enrich their professional and personal knowledge, and meet other business leaders in their community. If members miss their club's meetings they are encouraged to attend meetings of other Rotary clubs around the world – a make-up.

Service: All Rotary clubs share a key mission: to serve their community and those in need throughout the world. By participating in club service projects, members learn about their club's involvement in local and international projects and can volunteer their time and talents where they are needed.
